EDUCATION

Jagiellonian University in Kraków MS in Computer Science	<i>2015 – present</i>
Jagiellonian University in Kraków BS in Computer Science	<i>2013 – 2015</i>
Jagiellonian University in Kraków BS in Pure Mathematics	<i>2012 – 2015</i>

WORK EXPERIENCE

Palantir Technologies Forward Deployed Engineer Intern	<i>November 2016</i> <i>London</i>
<i>I was developing a data analytics tool for our clients. I implemented a few features based on users' feedback.</i>	
Technologies: <i>Java, React, Redux, TypeScript</i>	
Palantir Technologies Forward Deployed Engineer Intern	<i>July 2016 – September 2016</i> <i>New York</i>
<i>I was responsible for maintaining, upgrading and monitoring our data pipelines.</i>	
Technologies: <i>mostly proprietary</i>	
PageBites (imo.im) Software Engineering Intern	<i>October 2015 – February 2016</i> <i>Palo Alto</i>
<i>I was responsible for migrating production databases.</i>	
Technologies: <i>MySQL, Redis, Java, Python</i>	
Facebook, Inc Software Engineering Intern	<i>June 2015 – September 2015</i> <i>Menlo Park</i>
<i>I built an internal application to facilitate communications between interviewers and recruiters.</i>	
Technologies: <i>MySQL, Hack, React, Relay</i>	

ACHIEVEMENTS

52nd International Mathematical Olympiad Gold medal (ranked 39th in the world)	<i>July 2011</i>
Central Europe Regional Programming Contest Twelfth place	<i>November 2014</i>
Polish Collegiate Programming Contest Second place	<i>October 2014</i>
International Mathematics Competition for Univeristy Students First prize	<i>August 2013, August 2014</i>
Polish Olympiad of Mathematics Fourth place	<i>April 2011</i>

TECHNICAL STRENGTHS

Deep knowledge of useful algorithms and data structures

Very good Java skills

Familiarity with Python, C, C++ and JavaScript

Experience in web development

Experience in working with service-oriented architecture

Solid knowledge about databases, operating systems and computer networking

OTHER ACTIVITIES

Science camp of Polish Olympiad of Mathematics

Organizer

June 2014

Science camp of Polish Olympiad of Mathematics

Tutor

2012, 2013, 2015, 2016

INTERESTS

Music, playing piano and guitar

Cooking

Table tennis, volleyball, skiing, ice skating

Finance and markets

Economics and politics
